Means misery on the eve of life. Nine out of ten old people are constipated because the muscles of their intestines have become weak, worn out and flabby. Constipation is the curse of old age, causes bile and acid poisons to remain in the blood, making the skin yellow and wrinkled, the eyes bleary and causing the "bones to ache." Keep the bowels strong, healthy and regular and old age loses all its terrors and weaknesses. No reason why grandpa and grandma shouldn't have bright eyes, and clear, ruddy skin and feel lively and active, if they will only keep their bowels open and vigorous with CASCARETS CANDY CATHARTIC, the greatest bowel tonic ever heard of.
